- The lamp is fitted with a 3-amp fuse in the plug
- Unplug from the mains socket before changing the bulb
- Unplug from the mains supply when not being used for an extended period
- Never fit bulb of higher wattage than advised
- Never modify any light fitting
- Do not let children play with the lamps
- Dispose of old bulbs carefully

If you need to dispose of your lamp, please recycle where proper facilities exist – check with your local authority where you can do this.

Regulations require the recycling of Waste from Electrical and Electronic Equipment (European 'WEEE Directive' effective August 2005UK WEEE effective 2nd January 2007

Guarantee

Thank you for choosing our flower lamp. We are proud to offer a 2-year guarantee from the date of purchase which covers any defects in materials or workmanship under normal use.

What's covered:

- Manufacturing defects in materials and workmanship.
- Electrical components, including wiring and switches.

What's not Covered:

- Damage caused by misuse, neglect, or accidents.
- Normal wear and tear or cosmetic damage.

How to Claim: In the event of a claim, please retain your proof of purchase and contact our customer service team at sales@stateofbliss.uk and we will assess the claim and if valid, will repair or replace the lamp at our discretion.

This guarantee does not affect your statutory rights.
